

"The staircase to success is only possible for us, with all your best wishes and kind supports."

**" Heartily Namaste to all our dear well-wisher, volunteers
and supporter in our Newsletter 18th May 2017.**

All the supporters are god for us. It was a wonderful time for the kids and everyone here in DRC. Best thing is no any bad incident. Some time ups and downs but also we all are really grateful for all your generous supports and best wishes. The children in DRC, had a really good time. They had really enjoyed participating in different kind of activities ,Parties and programs.

Kid's Education:-

"Education is that window from where we can peep the world" . So we are always concerned about their education. We always try to provide them a proper environment to study well and counsel them to be a better students and as a result we are really happy with what they are achieving in their schools and exams with their full efforts. After long holiday new session 2074 started now, all the children promoted in new classes!

Every evening study time is fixed and teach them after school by home teacher and other volunteers for the junior and senior students. We always love to hope and wish for their better future .

Back home from school.

Extra curricular activities for children :-

Children, on their holidays are always seems happy to participate in extra curricular activities for change in daily life. So we organized drawing competition and games in DRC, also we took outdoor visit and parties too. Because we always want to see smile on their faces.

Regarding health of the children :-

We are always concerned about the health of the kids here in DRC, and with their regular health check ups and the therapy treatment, all the children are in very good health, fit and fine. They are regularly participating themselves in sports and games as well. And we are always teaching them about health and hygiene, its benefits and encouraging them to keep the surroundings and rooms clean.

Farewell of our SLC students:-

Academic year 2017, 3 of our children gave SLC exam. So we are waiting for the best result. After this month result will publish. So they will get farewell soon. Best of luck for them.

New Children Admission :-

Likewise, after the farewell of the old students who have cleared their school level. We are happy to admit 8 more deserving children in 2017 from different parts of the country in which they are 5 boys and 3 girls. So far they are happy to be in DRC family. These children we selected some from our waiting list. Among 8 children 6 are physically disabled. Two are economic problem also single Parent.

Regular Computer Classes for the kids and the Sewing training:

The kids are continuously attending their computer classes in their public holidays to practice what they had learned in school.

And, the sewing classes, in order to help needy women are also going smoothly everyday two hours by a experienced trainer with a hope to improve their skills and to help them for being independent with the skills which will help them to get employment for a better living ahead. And we would like to thank you

Sponsor Trek Nepal for providing this great opportunity.
